## STEP 2

Locate the rectangular pocket in the side of the cargo area behind the back seat, (Figure 1). Carefully unwrap the Cargo Cover. Insert the driver side of the Cargo Cover into the pocket in the driver side of the vehicle. Pull back spring loaded end of housing to insert the passenger side of the Cargo Cover into the pocket in the passenger side, (Figure 2). Cargo Cover assembly installation is complete.

## STEP 3

Slowly pull the rear cover **straight** out of the assembly, (Figure 3). Locate the U-shaped pockets in each side of the vehicle next to the rear door, (Figure 1). Slide the tabs on the end of the cover into the slots in the pockets next to the door. Hook the tabs on the U-Shaped pockets to hold cover in place, (Figures 3 & 4). Cargo Cover installation in complete. Then, do periodic inspections to the installation to make sure that all hardware is secure and tight.
