Patented switch mechanism.
Pull the slider to switch mode. Fast and sturdy!
**Maintenance:**
- Before use: Wipe off residual anti-rust oil on shovel with soft cloth.
- After use: Dry off and wipe dirt and debris off each piece with soft cloth. Then spray anti-rust oil on shovel before storage.

**Reminder:**
- Wear and tear to shovel is normal from extensive usage. Use cases for which shovel is not designed may cause damage to shovel.
